

STATEMENT OF CANDIDATE FOR  
CITY OF LODI  
COUNCIL MEMBER

ROBERT J JOHNSON

Age:60

Occupation: Appointed Incumbent/Appraiser

My education and qualifications are: In February, the City Council voted unanimously to appoint me to fill a vacated Council position. They felt I possessed the necessary background and experience to swiftly address the complex issues facing us. The past several months have been interesting and rewarding and I've demonstrated the ability to handle the task.

Many difficult challenges face our community, including crime, the economy and the funding of our future needs. I believe in strong police and fire services. We need to increase programs for teens and seniors. The continued expansion of our economic base is vital. It is critical we develop a prudent long term fiscal plan to insure we don't spend more money than we have. I firmly believe that government shouldn't be a growth industry and that the best government should be the "least" government.

You have my promise that every issue that comes before me will receive my fullest attention and that I will always place community interests ahead of my own.

Lodi needs proven, independent decision makers with real life experience to lead our community into the future. I look forward to working on your behalf over the next four years and welcome your support
